Subject: New Jersey Counties Excess Meeting Report

NJCE Claims Review Committee: Committee Chairman Sheehan reported the Claims Review Committee met prior to the Fund's meeting to review claims in detail. The Board of Fund Commissioners accepted the recommendations of the Claims Review Committee to approve payment or settlement authority requests. Closed Session was not required for this action.

December 31, 2019 Audit: Executive Director reported the Auditor presented at draft financial audit at the June meeting; the draft audit and an extension to file the final audit was submitted to DOBI and DCA following the June meeting. Fund Auditor submitted a final financial audit for the period ending December 31, 2019 and provided a summary review of the Financial Statements. Fund Auditor concluded the review by stating there were no recommendations or findings. The Board of Fund Commissioners approved a motion to approve the year-end financials. The Fund office will distribute affidavits to Fund Commissioners to execute stating they have read the General Comments of the audit report and make the necessary report filing with DOBI and DCA.

Executive Director reported on the following:

Competitive Contracts, Services and Training:

Learning Management System Competitive Contract Request for Proposals (CCRFP): In February the Board adopted a resolution to initiate procurement of a Learning Management System, which is an online platform to track instructor-led and online training programs dedicated for NJCE JIF members. Responses to the initial CCRFP were due on April 2nd, but was cancelled due to the pandemic. A second CCRFP was set for June 16th; responses were rejected due to material terms and the Board agreed with the recommendation to re-advertise. A third CCRFP #20-28 was issued with a response date of August 20th; the Sub-Committee comprised of Commissioners Kessler, Sheehan and Shea met and reviewed submissions from three (3) vendors. Sub-Committee noted the proposal amounts of each vendor exceeded the allocated budget for this service. Executive Director reported the committee's recommendation is to reject all proposals on that basis; the Board of Fund Commissioners adopted a resolution noting that action.

Executive Director stated the Learning Management System is a unique product and reported the sub-committee recommendation that it be arranged and contracted directly by J.A. Montgomery on behalf of the Fund. This approach would be similar to the one previously authorized by the Board for PERMA to contract directly with Origami for RMIS platform. The Board of Fund Commissioners agreed with the recommendation and authorized J.A. Montgomery to pursue a 3rd party arrangement directly with a vendor to provide a Learning Management System dedicated to NJCE JIF members.

Actuary Services – Payment in Equity: Executive Director reported The Actuarial Advantage provided services in Fund Year 2019; however, inadvertently a contract was not in

place. The Board of Fund Commissioners adopted a resolution authorizing payment in equity to the firm in the amount of \$22,522.00 for services provided in Fund Year 2019.

BRIT Safety Grant: Executive Director reported the current deadline to submit reimbursement of applicable safety-related items reimbursed at 50% of the cost is September 30th. Glenn Prince of J.A. Montgomery and the BRIT Grant sub-committee submitted a deadline extension request of October 31st to allow additional applicable reimbursements; the Board of Fund Commissioners approved the recommendation to extend the deadline.

Training Webinars: Executive Director reported the MEL Safety Institute in-classroom training was made available to our member counties this past year. In March, instructor-led training was suspended due to the pandemic and J.A. Montgomery successfully transitioned a majority of these training sessions to interactive webinars, which resulted in a significant increase in attendance by our NJCE County membership.

Executive Director reported County membership accounted for 169 webinar attendees during the months of June, July and August. J.A. Montgomery submitted per trainee and administrative costs for a total of \$6,046 for that period. A recommendation was made that the Fund pay J.A. Montgomery for these services since the costs associated resulted from an unforeseen situation, as well as, amend their contract to document the additional fees to be paid. The additional fees would be applied against the Safety Institute Fund line in the 2020 budget and would not be incurred by County members. Executive Director reported this was discussed with the Fund Attorney and the Fund Treasurer and they concurred with this recommendation. The Board of Fund Commissioners authorized the payment of additional training to J.A. Montgomery in the amount of \$6,046 and authorized an amendment of their contract to reflect additional training fees for June, July and August. J.A. Montgomery will be asked to submit a proposal for additional training costs that extend beyond August 2020 through the balance of their contract.

Workers' Compensation Claims Administration RFP: Executive Director reported the contract for this service with AmeriHealth expired on 7/31/20. AmeriHealth agreed to extend services based on the same terms and conditions of the existing contract on a month-to-month basis for August and September.

Executive Director reported an RFP was issued for re-procurement of these services and responses were due on August 25th. Four (4) responses were received, reviewed and scored by a sub-committee. Fund Attorney reported the sub-committee recommended the contract be awarded to AmeriHealth for Claims Administration Services for a contract period of October 1, 2020 to September 30, 2023. Copies of a resolution authorizing this award were distributed and was adopted by the Board of Fund Commissioners.

Financial Fast Track: Financial Fast Tracks as of July 31st and June 30th were submitted and reflected statutory surplus of \$16.6 and \$16.5 million respectively.

2021 Renewal – Underwriting Data Collection: Last year was the initial launch of Origami, the online platform where members' exposure data (property, vehicles, etc.) was uploaded for members to access and edit, as well as, applications to download and complete for ancillary coverages. The Fund Office is currently following up with members to complete the renewal worksheets. A meeting of the sub-committee to review the 2021 budget will be scheduled prior to the October meeting and the 2021 Budget introduction.

Deputy Executive Director reported on the following information items:

Membership Renewal: The Atlantic, Burlington and Cumberland County Insurance Commissions are scheduled to renew their 3-year membership with the Fund as of January 1, 2021. Renewal documents were sent to each County to execute; Burlington and Cumberland have adopted resolutions to renew and Atlantic has a resolution on their October 6th agenda for consideration.

9th Annual Best Practices Workshop – October 29, 2020 Virtual Edition: This year's Best Practices Workshop will be taking place virtually via an interactive webinar on October 29, 2020. Topics include the NJCE Renewal Overview and 2021 Objectives, BRIT Safety Grant update and topics evolving around the implications of COVID-19. The length of the workshop is scheduled for 2.5 to 3 hours with adequate breaks; please save the date and more information will follow.

2020 New Jersey Association of Counties Conference: This annual conference rescheduled for October has been replaced with a series of educational virtual workshops on COVID-19 matters to be held between September 30th and November 11th. NJAC has published details of the workshops on their website www.njac.org.

2020 MEL & MRHIF & NJCE Educational Seminar: This annual seminar originally scheduled for May 1st has been cancelled indefinitely.

NJCE 10th Year Anniversary: 2020 marks the 10th anniversary since the Fund's inception. We hope to schedule a luncheon meeting honoring this milestone in early 2021.

Due Diligence: Submitted as part of the agenda was a Regulatory Compliance Checklist as of 9/18/2020 to track contracts, compliance and other Fund business.

Underwriting Manager: A verbal report was submitted of the 2021 renewal noting that negotiation efforts are underway to secure stable rates and limit significant premium increases in what is a "hard" market, the worst since the mid-80's. Since we are a Joint Insurance Fund, we anticipate that we will fare better than a single insured.

Risk Control: Safety Director submitted a report reflecting the risk control activities from June to October 2020. Safety Director reported the annual BRIT Safety Grant is still available and encouraged members to submit applicable purchases given the extended deadline of October 31st.

WC Claims Administration: AmeriHealth submitted a report showing provider billed amounts, paid amount and net savings as of August 2020.

New Business - Senate 2380 Legislation: On Monday September 14, 2020 Governor Murphy signed S2380 into law, which creates a rebuttable presumption for essential employees that their contraction of the coronavirus is employment related for workers' compensation purposes. Ms. Walcoff of PERMA reported that COVID-19 related claims - including report only for possible exposure, but no virus contraction – have been monitored at the outset of the pandemic. More information and a report will be provided for the next meeting on number of member COVID-19 claims and incurred costs to date.

Next Meeting: The next meeting of the NJCE fund is scheduled for October 22, 2020 at 9:30AM via audio/video.

NJCE Claims Review Committee: Committee Chairman Sheehan reported the Claims Review Committee met prior to the Fund's meeting to review claims in detail. The Board of Fund Commissioners accepted the recommendations of the Claims Review Committee to approve payment or settlement authority requests. Closed Session was not required for this action.

Executive Director reported on the following:

Finance Committee: Executive Director reported the Finance Committee comprised of Commissioners Sheehan, Kelly, Wood and Shea met via teleconference on October 16 to review the preliminary 2021 Budget, 2020 Dividend and a Learning Management System contract status update.

2021 Budget: Executive Director reviewed the major components of the preliminary 2021 budget with the Finance Committee and reported that the 2021 Loss Funds and Professional Fees (subject to contractual obligations) would be relatively flat. Executive Director also reported two major drivers were pushing the current budget increase:

- 1) Projected significant increases in excess premiums from 10% to 25% based on current market conditions, adverse loss experience and exposure increases. Market conditions are a "hard" market, the worst since the mid-1980s.
- 2) Projected increase in the upper excess liability layer (\$5 or \$10 million excess \$10 million) due to the sudden change in market conditions in December 2019 that resulted in this line item going over budget by \$1 million after the 2020 budget adoption. In December 2019, the Board of Commissioners agreed not to amend the 2020 budget and chose to absorb the difference of \$1 million for 2020.

Finance Committee supported and recommended a delay to the 2021 budget process by one month to move budget introduction to November and budget adoption in December. Underwriting Manager will conduct widespread marketing of all excess and ancillary insurance to improve on not-to-exceed premium projections, as well as, allow more time to explore options to increase NJCE retentions for excess liability and/or excess workers compensation to achieve additional savings off insurance premiums. Finance Committee will meet again prior to November 19 Fund meeting to review marketing efforts and budget impact.

The Board of Fund Commissioners accepted the recommendation to delay 2021-budget introduction to November 19, 2020 and schedule a special meeting on December 18, 2020 at 9:30AM for 2021 budget adoption.

2020 Dividend: Finance Committee reviewed dividend options based on allowable dividends per State Regulations at the last audit of 12/31/19. A recommendation on issuance of a dividend will be presented at the November 19 Fund meeting. As in the past members will have an option to receive a dividend check or apply the dividend to their 2021 assessment.

Learning Management System: Last month J.A. Montgomery was authorized to pursue a 3rd party arrangement directly with a vendor to provide a Learning Management System dedicated to NJCE JIF members. Finance Committee reviewed and recommended the proposal for these services offered by FirstNet. Proposal noted pricing of \$67,500 for Year 1 and \$56,500 for Year 2 with an anticipated minimum of 90-days to implement this new program. The Board of Fund Commissioners accepted the recommendation and authorized an agreement between J.A. Montgomery and FirstNet to provide a Learning Management System for NCJE members. Fund Attorney to draft applicable amendment to J.A. Montgomery contract.

Financial Fast Track: Financial Fast Track as of August 31, 2020 was submitted and reflected a statutory surplus of \$18 million and \$3.6 million in dividends issued to members to date.

Deputy Executive Director reported on the following information items:

Membership Renewal: The Atlantic, Burlington and Cumberland County Insurance Commissions are scheduled to renew their 3-year membership with the Fund as of January 1, 2021; all three entities have adopted resolutions to renew membership.

9th **Annual Best Practices Workshop** – **October 29, 2020 Virtual Edition:** The 9th annual Joint Insurance Claims Committees Risk Management Workshop is scheduled for Thursday, October 29, 2020 via Webinar from 10:00AM to 12:30PM. This year's topics will include COVID-19 and its impact on County Workers' Compensation and Liability Claims. In addition, the workshop will review benefits, successes, and future initiatives of the NJCE as it marks the 10th year of operation, as well as, the BRIT Safety Grant successes and future goals.

Due Diligence: Submitted, as part of the agenda was a Regulatory Compliance Checklist as of 10/19/2020 to track contracts, compliance and other Fund business.

Underwriting Manager: A verbal report submitted on the 2021 renewal noted that negotiations are underway to secure premium increases below current preliminary figures. Underwriting Manager reported alternative options, such as increased retentions, would be reviewed given the maturity of the NJCE program and its financial strength.

Risk Control: Safety Director submitted a report reflecting the risk control activities from September to November 2020. Training webinars on a variety of risk-control topics were noted in the report and are available on www.njce.org. Safety Director reported the BRIT Safety Committee would be meeting in coming weeks to review submissions made of applicable safety/loss control purchases applicable for 50% reimbursement.

WC Claims Administration: AmeriHealth submitted a report-showing provider billed amounts, paid amount and net savings as of September 2020.

Next Meetings Schedule:

- December 18, 2020 at 9:30AM via Zoom audio/video 2021 Budget Adoption
