Memo to: Finance Sub Committee

**New Jersey Counties Excess Joint Insurance Fund** 

From: Joseph Hrubash, Executive Director

Subject: 2022 Budget Review

Date: October 21, 2021 – 3:30 p.m. via Zoom Audio/Video

This memo will serve as a discussion of the 2022 NJCE preliminary budget, the budget process, budget strategy and other factors affecting the budget. We are in very challenging times including but not limited to market conditions unseen since the mid 1980's, potential claims resulting from sexual molestation, claims resulting from the pandemic and COVID essential worker legislation as well as climate change resulting in property CAT losses nationwide.

## Factors affecting the 2022 NJCE Budget are:

- 1. 2020 Excess Liability Renewal: We first addressed in late 2019 with this committee and subsequently the NJCE Board of Commissioners at the start of a hard insurance market following the review of the Underwriting Manager's 2020 renewal marketing efforts which resulted in a more expensive replacement of the excess liability insurer. The NJCE absorbed the difference of \$1 million for 2020 and reset the budget for 2021 accordingly.
- 2. 2021 Budget Delta: The 2021 renewal at the expiring retentions, where available, would have resulted in significantly higher member premiums in excess of 25% increase. Therefore, it was necessary for the NJCE to make a number of changes in the excess program structure in order to control the overall pricing for the 2021 NJCE renewal. What we learned from the 2021 renewal marketing efforts is that we were in the midst of the broadest insurance hard market since the mid-1980s affecting all lines of insurance.

In consultation with this committee, through various meetings, we recommended and the committee agreed to an 8% budget increase for 2021 in hopes that the NJCE retaining higher retentions would offset potential premium increases. Unfortunately, the final results of our marketing and program restructuring efforts resulted in a delta of \$2,535,215 or 11.67%. Based on the solid financials of NJCE there was no immediate or short term concerns. The committee recommended and the Board of Fund Commissioners approved the declaration of an additional assessment for the premium portion of the delta of \$609,437 due in 2021 and to take no action in 2021 on the balance of the delta. It was agreed we would monitor the claims activity versus loss funding and review on an annual basis with potential action at a future date. The additional assessment for the premium portion of the delta was billed September 17<sup>th</sup> as a 3<sup>rd</sup> separate installment and the balance of the delta is at \$1,925,777.

**3. 2022** Excess Insurance and Ancillary Insurance: The hard market will continue into 2022. The 2022 excess and ancillary insurance renewal projections are in the 10% to 15% range. This combined with the 2021 delta will make the 2022 budget challenging.

## 4. Commercial Marketplace and Legislative Factors:

- a. **Property:** Coverage premiums for fire, flood, and etc. is increasing due to the frequency of natural disasters over the past few years and our loss experience. This has caused a serious increase in prices of up to 20% or greater charged by both the national and international property insurance markets.
- b. **Liability:** Liability claims are increasing at an average rate of 5% to 10% per year because of the erosion of Title 59 in New Jersey's courts. The recent amendment in the Sexual Molestation statute of limitations will increase total liability costs by an estimated 6%. In some cases, public entities are being hit with lawsuits based on allegations going back 40 years.
- c. Workers' Compensation: In addition to COVID claims, a recent Department of Labor decision will increase workers' compensation on an average by 11% by directing governmental entities to pay workers' compensation on many accidental disability claims that were paid by the pension plans before the change. This is on top of continuing increases in Worker's Compensation medical costs and indemnity rates.

**Ed Cooney** will provide an update on the marketplace and what it may mean for NJCE's 2022 renewal.

**COVID-19 Workers Compensation Claims:** As of September 30, 2021, for 2020 fund year there are a total of 1, 916 claims with a total incurred of \$7.9 million and total paid of \$2 million. For the 2021 fund year there are a total of 693 claims with total incurred of \$670,337 and total paid of \$434,130. A review of claims development will be conducted at the appropriate time to evaluate reserves on open claims. There continues to be ongoing dialogue with the excess insurer on how the 2020 endorsement will be applied with respects to COVID-19 claims. As you recall we booked one third of incurred value of our outstanding Covid claims for 2020 totaling \$917,000. For 2021 fund year, each COVID claim is a separate occurrence.

The Fund Attorney provided an overview of the MEL's litigation strategy in regards to the excess workers compensation carrier for reimbursement of Covid claims exceeding our retention during closed session at the September 23<sup>rd</sup> meeting. The MEL JIF has hired a reputable law firm to assist with the recovery. The NJCE will take a wait and see approach for now and may join in with MEL JIF at a later date. The MEL JIF and NJCE JIF excess workers compensation policies had the same communicable disease endorsement. The excess insurer removed this endorsement for 2021. As stated above this will affect the workers compensation loss funds for 2022 since the pandemic is still active.

**Robyn Walcoff** will provide an update on the status of the claims discussions and our strategy for reimbursement from the excess insurer.

Also, we are exploring the feasibility of our underlying insurance commissions making submission for Covid WC claim costs to their respective County under the Cares Act and/or ARPA.

**Pauline Kontomanolis** will provide a report on the Cares Act and ARPA.

## **NJCE Financials:**

The NJCE is in a very strong financial position. The enclosed preliminary financial fast track report reflects the fund's overall financial position as of August 31, 2021. The FFT monitors underwriting income, claim expense, other expense, underwriting profit and statutory surplus. The report includes changes for the month, year to date, the prior year-end and the current fund balance for each item. The surplus as of 8/31/21 is \$14,419,676. Regardless of where we end up on the marketing of the 2022 renewal, the NJCE JIF is in a strong financial position as we formulate a budget for 2022.

## 2022 Preliminary Budget:

1. The attached **2022 Preliminary Budget** of **\$31,498,143** represents an overall increase of \$1,559,335 or 5.2% over 2021 Annualized Budget and **\$3,447,381** or **12.3%** over the 2021 Assessed Budget. A copy of the budget is attached.

The 2022 preliminary budget reflects (a) the expiring program structure, (b) the 2021 loss fund delta, (c) 2022 loss funds as provided by the actuary, (d) exposure changes as provided by the members, (e) excess and ancillary premium projections from the Underwriting Manager.

- 2. The following is a further breakdown of the 2022 preliminary budget:
  - Line 8 (Claims/Loss Funds) the preliminary budget of \$6,241,311 is a decrease of (\$963,965) or (13.4%) over the 2021 Annualized Budget and an increase of \$924,081 or 17.4% over the 2021 Assessed Budget. The latter takes into consideration the 2021 delta. The Actuary completes their loss fund analysis and derive not just an actuarial central estimate but also a range of reasonable estimates. The 2022 loss funds reflect the central estimate.
  - Line 18 (Premiums) the preliminary budget of \$19,025,551 is an increase of \$1,908,887 or 11.2% over the 2021 Annualized Budget. There was no 2021 premium delta as this was billed in a special installment in 2021. In addition to some of the challenges referenced above there has been adverse loss activity on property, workers compensation and cyber. The premiums reflect no changes in the expiring program structure.
  - Line 42 (Total Self Insured Program) the preliminary budget of \$27,437,386 is an increase of \$970,025 or 3.7% over the 2021 Annualized Budget and an increase of \$2,858,070 or 11.7% over the 2021 Assessed Budget.
  - Line 56 (Ancillary Coverages) the preliminary budget of \$4,123,532 is an increase of \$589,311 or 16.7% over the 2021 Annualized Budget.
  - Line 58 (Total Fund Disbursements) the preliminary budget of \$31,498,143 is an increase of \$1,559,335 or 5.2% over 2021 Annualized Budget and \$3,447,381 or 12.3% over the 2021 Assessed Budget.

#### **Recommendations:**

- 1. **Budget Introduction**: Due to the continued uncertainty of the commercial marketplace, we can consider a recommendation to delay the 2022 budget process again this year by one month with introduction at the meeting on November 18<sup>th</sup> and adoption on December 16<sup>th</sup>. This will allow more time for the Underwriting Manager to complete his marketing effort and afford more certainty with their not-to-exceed premium projections.
- **2. Alternative Options**: Explore the feasibility of :
  - a. Increasing NJCE retention(s) as a potential cost saving measure as we did for 2021.
  - b. Increasing member entity deductibles on ancillary coverage such as POL/EPL and cyber. This may be mandated by the commercial insurers.
  - c. Increasing underlying insurance commission and county retentions as a potential cost saving measure. Any savings must be weighed against potential losses and may not make sense for all members.
  - d. Implementing a retrospective adjustment program whereas the NJCE collects a discounted assessment (85% of the loss funds). The balance would become payable to NJCE if the member's actual losses exceed the loss fund portion of their assessment but no more than 100%. We would do an annual calculation with an agreed upon payment period such as 10 years following the end of the respective fund year.
  - e. Implementing a premium holiday. In this scenario the last assessment installment for 2022 (25%) would be due with the first assessment installment for 2023. This arrangement would carry forward in future fund years. In affect it is a one year savings.
  - f. Apply some or all of a potential dividend as a credit within the 2022 budget. See discussion below.
- **3. 2021 Dividend**: Enclosed are potential dividend options for your consideration based on the allowable dividends per State Regulations at the last audit of 12/31/20. Last year, we agreed to hold off on a dividend decision until we had a better idea on what the budget increase will be for 2021. We recommend the same approach for this year. Attached is a copy of the historical dividends issued by NJCE JIF.

Please note once a decision is made, the members have an option of taking their dividend as a check, an offset to their 2022 assessment or as stated above as a credit within the 2022 budget.

## 4. Future Considerations:

- a. **Surplus Floor:** We held an informal discussion on the feasibility of exploring the implementation of a surplus floor at the November 18, 2021 Finance Sub-Committee meeting. It was agreed we would defer discussion to a later date. We recommend that this committee discuss this in more detail in 2022.
- b. **Insurance Commission Retentions:** If not for 2022, look at the feasibility of higher underlying insurance commission and county retentions for 2023 fund year.
- **5. Next Meeting:** If you agree, we recommend another Finance Sub-Committee meeting prior to budget introduction to review our options.

9 Campus Drive - Suite 216 Parsippany, NJ 07054-4412 Telephone (201) 881-7632 Fax (201) 881-7633

Date: November 18, 2021

**Memo to:** Union County Insurance Commission

**From:** Joseph Hrubash, NJCE Executive Director

**Subject:** November NJCE Report

**Finance Committee:** Finance Committee comprised of Commissioners Sheehan, Shea, Wood, Kessler and Kelly met on November 15, 2021 for further review of the proposed 2022 budget, discuss the 2021 dividend options and reviewed a response to the Technical Services Writer procurement.

**2022 Budget:** Underwriting Manager reported initial quotations have been received and noted property and cyber coverage continue to be aggressively marketed. Underwriting Manager expects to report final numbers for 2022 excess and ancillary renewals at the next meeting. Finance Committee recommended introduction of the 2022 budget in the amount of \$31,498,143; this represents an increase of \$1,559,335 or 5.2% over 2021 Annualized Budget and \$3,447,381 or 12.3% over the 2021 Assessed Budget. The Board of Fund Commissioners accepted the recommendation of the Finance Committee and introduced the 2022 Budget and scheduled a public hearing on Thursday December 16, 2021 at 9:30AM.

**Dividend:** Finance Committee also reviewed available dividend options and based on the proposed budget and the strong current financial position of the Fund, the Finance Committee recommended that the JIF authorize a \$750,000 dividend. The Board of Fund Commissioners accepted the recommendation of the Finance Committee and adopted a resolution to authorize a dividend amount of \$750,000 from various Fund years subject to State approval. The member Insurance Commissions will receive their dividend as a check; County members may opt for a check or apply the dividend as a credit to offset the 2022 assessment.

**Technical Services Writer:** In September, the Board authorized the procurement of Technical Services Writer which was advertised on October 1<sup>st</sup> with responses due on November 5<sup>th</sup>. The Finance Committee reviewed and scored the only response received from Stradley Ronon; Fund Attorney submitted a memorandum on the scoring criteria, process and submitted fees. The Board of Fund Commissioners accepted the recommendation of the Finance Committee and adopted a resolution to award Technical Services Writer to Stradley Ronon at an hourly fee of \$340 with an annual cap not to exceed \$25,000.

Finance Committee is scheduled to meet on December 13, 2021 at 9:00AM to review the final budget prior to adoption at the Fund's December 16, 2021 meeting.

**Financial Fast Track:** Financial Fast Track as of August 31, 2021 reflected a statutory surplus of \$14.4 million. Executive Director noted the Fund is in a very strong financial position.

**NJCE Claims Review Committee:** Committee Chairman Sheehan reported the Claims Review Committee met prior to the Fund's meeting to review claims in detail. The Board of Fund Commissioners accepted the recommendations of the committee to approve payment or settlement authority requests. Closed Session was not required for this action.

**10<sup>th</sup> Annual Best Practices Workshop – November 3, 2021 Virtual Edition:** This year's Best Practices Workshop was held virtually via an interactive webinar on November 3<sup>rd</sup> and was well attended with 70 attendees. The webinar will be uploaded to the Fund's website – <u>www.njce.org</u>. Commissioners are encouraged to submit suggestions for future topics to the Fund office.

**2021** New Jersey State League of Municipalities (NJSLOM) Annual Conference: The 106<sup>th</sup> annual conference was held in-person on November 16<sup>th</sup> through November 18<sup>th</sup> at the Atlantic City Convention Center in Atlantic City and was well attended by exhibitors, as well as, Municipal and County personnel.

## UNION COUNTY INSURANCE COMMISSION

9 Campus Drive, Suite 216 Parsippany, NJ 07054

Date: November 29, 2021

Memo to: Commissioners of the Union County Insurance Commission

From: PERMA Risk Management Services / PERMA Claims

Subject: MANDATORY YEAR-END CLAIMS REPORTING

As you are aware, certain policies issued to the Union County Insurance Commission and/or its members apply on a claims made or discovered AND reported basis (e.g., Public Officials / Employment Practices, Employed Lawyers, Cyber, Medical Malpractice, Crime, Pollution.) With these types of policies, any claim made against you or loss discovered during the policy period MUST be reported before the end of the policy year. Therefore, it is imperative that any claim, potential claim, or facts and circumstances that may give rise to a claim be reported to the insurance company prior to policy expiration on 12/31/21.

Please conduct a review "sweep" of any Public Officials & Employment Practices Liability, Employed Lawyers Professional Liability, Cyber, Healthcare Professional & General Liability, Crime or Pollution claims, suits and/or incidents of which you (or anyone else in your organization) may be aware that <a href="https://www.netword.com/healthcare-public-based-com/hea

Such claims must be reported to the insurance carrier prior to 12/31/21. Please keep in mind that these types of policies are "claims made and reported" or "discovery" policies, and failure to timely report a discovered loss or claim (or potential claim of which you are aware) may result in a denial of coverage from the insurance carrier.

Please report these claims in the same manner as you have throughout the year. Given the upcoming holidays, we respectfully request that you complete this process as soon as possible so that there are no delays in getting claims reported to the carrier(s).

Please let us know if you have any questions or concerns.

## \*1/20/22 Designated Employee Representative Training (DER) Details:

- This 6-hour workbook-driven course with 1hr lunch break covers mandatory drug and alcohol testing programs and the responsibilities of the employer, the DER, third-party administrators, the MRO, and the driver. In order to ensure workbooks are received in time for the class, registrations must be completed before December 24, 2021.
- Registration suggested 2 employees per town

• The training will use the Zoom Meeting platform. Students must have access to a computer or device with a working camera and microphone. Students will be 'on-camera' during the class to replicate an in-person classroom.

#### **Zoom Safety Training Guidelines:**

To maintain the integrity of the classes and our ability to offer CEUs, we must abide by the rules of the State agency who issued the designation. Chief among those rules is the attendee of the class must attend the whole session. Attendees who enter the class more than <u>5 minutes late or leave</u> <u>early will not be awarded CEUs for the class or receive a certificate of completion.</u>

The Zoom platform is utilized to track the time each attendee logs in and logs out of webinars. Also, we can track participation, to demonstrate to the State agency that the student also participated in polls, quizzes, and question & answer activities during the live, instructor-led webinar. We maintain these records to document our compliance with the State agency.

#### **Zoom Training:**

- When registering, please indicate the number of students that will be attending with you if in a group setting for an accurate count to avoid cancelations due to low attendance. Once registered you will receive an email with the webinar link. Be sure to save the link on your calendar to access on the day of training. We suggest registering no later than a day before to insure you receive the link and your computer and sound system are working correctly.
- A Zoom account is not needed to attend a class. Attendees can login and view the presentations from a laptop, smartphone, or tablet.
